OAKLAND PRIDE

2024 SPONSORSHIP PACKAGE
September 7th - 8th, 2024
Since 2010 Oakland Pride has been an influential coalition dedicated to educating the greater Bay Area and promoting equality, social justice, civic involvement, and responsibility within Oakland and neighboring communities.

Our organization has a shared vision of providing an equitable platform, safe spaces, and events for the entire Oakland community. Our events celebrate Oakland’s rich and diverse queer community, support Oakland’s BIPOC businesses & non-profits, and highlight the resources available to the community through a series of events throughout the year that lead up to Oakland Pride Weekend - a Festival and Parade.

Oakland Pride is a 501(c)3 non-profit organization.
Everyone deserves to walk in their power, not go it alone, and live authentically. The recent political attacks aimed at gay, transgender, and non-binary people threaten the rights of LGBTQ+ Americans and the fundamental promises of freedom, liberty, and dignity.

But together, we can be a fierce force in creating safe, inclusive spaces that help amplify marginalized voices and broaden acceptance. Sponsors and donors not only cover our operating costs that fuel our events but also provide support for the Oakland LGBTQ+ Community and other essential services to Queer and POC community partners.

Oakland Pride is a beacon to celebrate living life to the fullest and give hope to those who seek a community of belonging.

Show your support for the community. Stand in solidarity with us as we celebrate loudly and proudly.
Marketing Effort

Oakland Pride will actively engage audiences across a variety of platforms by leveraging corporate and local media partnerships, which include but are not limited to:
Radio, via exclusive iHeart Radio partnership (6mm impressions)
Television via exclusive media partnership with a local station (6mm impressions)
LGBTQ+ print sponsorships

Press releases for milestones and announcements
Social media campaigns

Poster distribution across Alameda County
Integration of Oakland Pride across significant sponsor and partner websites and social channels (4mm reach)
Brand Loyalty

LGBTQ+ people are arguably the most brand-loyal community.

76%
U.S. participants agreeing that companies supporting LGBTQ+ equality would get more of their business.

77%
Prefer to buy from companies that advertise to them directly.

$917bn
U.S. LGBTQ+ Community annual buying power

As one of the country’s most integrated cities, Oakland has gradually become home to more lesbian couples than any other major US metropolises. The city ranks third for lesbian and gay households combined.

No other outlet in the East Bay gives your business the reach into LGBTQ+ individuals, households, and families with the same effect as Oakland Pride. Showing your support of us sends the message that your company stands with our community so we can take pride in your brand.
